Dear Margaret, I am ashamed  
to think I put ~~postponed~~  
your good true letter and  
the little remembrance you  
sent. We are worked pretty  
hard with our church work,  
yet I am too tired when I get a  
minutes time, I will try and  
write a long letter very soon  
and tell all we know.  
It is pretty cold here today and  
getting colder. We have been  
attending Mr. Riddells lectures  
every night this week. They are  
great. Lots of love to all.  
Hell, B.
